7. VOTING BY POLL

Pursuant to Rule 13.39 of the Listing Rules, any vote of the Shareholders at a general meeting must be taken by poll. 9. RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief there are no other facts the omission of which would make any statement herein misleading.

10. ADDITIONAL INFORMATION

Your attention is also drawn to the additional information set out in the Appendices to this circular.

Yours faithfully,
For and on behalf of the Board of
IDT International Limited
Xu Chiming
Chairman

The following explanatory statement contains all the information required pursuant to Rule 10.06 of the Listing Rules to be given to all Shareholders relating to the resolution to be proposed at the forthcoming AGM authorizing the Repurchase Mandate and to enable all Shareholders to make an informed decision whether to vote for or against the resolution to approve the grant of the Repurchase Mandate to the Directors.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company was HK\$259,999,308.80 comprising 2,599,993,088 Shares. No Options remained outstanding and exercisable prior to the AGM.

Subject to the passing of the relevant ordinary resolution to approve the Repurchase Mandate and that no further Shares are issued or repurchased and no subscription rights of the Options are exercised prior to the AGM, exercise in full of the Repurchase Mandate would result in the repurchase by the Company of a maximum of 259,999,308 Shares during the period ending on the earliest of the date of the next annual general meeting following the AGM, the date by which the next annual general meeting following the AGM of the Company is required by the Bye-laws or any applicable laws of Bermuda to be held or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

2. REASONS FOR REPURCHASES

Notwithstanding that the Directors have no present intention to repurchase any Shares, the Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per share of the Company and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum of Association and Bye-laws and all applicable laws of Bermuda.

There might be material adverse impact on the working capital or gearing position of the Company as compared with the financial position of the Company as at December 31, 2018 (being the date to which the latest audited financial statements of the Company were made up) in the event that the Repurchase Mandate is carried out in full during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. SHARE PRICES

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases of its Shares pursuant to the Repurchase Mandate and in accordance with the Listing Rules, all applicable laws of Bermuda, and Bye-laws.

7. EFFECT OF THE TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such an increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (within the meaning of the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.
