CAPABILITIES
HKTDC SHOWCASES HONG KONG SUCCESS STORY**

(Hong Kong, 10 December, 2002) – Leading consumer electronic products manufacturer and distributor, IDT International Limited (“IDT International” or “IDT Group”) (HKEx Stock Code: 167), hosted a visit to its manufacturing facilities in Shenzhen for a high level finance mission from the United States today.

The mission, comprising senior executives from public and corporate pension funds, foundations, endowments and money managers in the United States, as a group advises and manages over US\$132.3 billion in capital funds. Organized by the Hong Kong Trade Development Council, the mission visits Hong Kong and the Pearl River Delta from 8-13 December, 2002 to explore opportunities in future business expansion in Asia, with particular interest in Mainland China.

To demonstrate the vibrant development of the Pearl River Delta and its close linkage with Hong Kong, the Hong Kong Trade Development Council designated IDT International to be one of the two Hong Kong companies to host visits for the mission. Mr Raymond Chan, Chairman & CEO, Mr Alain Li, Executive Director & CFO and Ms Shirley Chan, Executive Director of IDT International hosted the visit, presenting information on the IDT Group and briefing the guests on its operational experiences and diverse activities in the region.

The mission also met with representatives from Hong Kong's key regulatory authorities, such as the HK Monetary Authority, Hong Kong Exchange & Clearing Co. as well as a number of fund houses to obtain a better understanding of the infrastructure behind Hong Kong as an international financial centre.

About IDT International:

IDT International is a holding company with subsidiaries engaged in the design, development, manufacture, and sales and marketing of innovative consumer electronic products featuring state-of-the-art liquid crystal display and microprocessor technology.

Headquartered in Hong Kong, IDT International's core businesses include LCD Consumer Electronic Products, Telecommunication Products, Electronic Personal Information Products and Electronic Learning Products. Marketing is undertaken globally through sales and marketing offices in Germany, France, Italy, UK, Spain, Poland, Brazil, the US, Australia, the PRC, Japan and Hong Kong. Research and development resources have been established in both Hong Kong and the PRC and manufacturing facilities are centred in Xixian, Shenzhen, the PRC.
